every dayâ€“ and durable over the long haul. Unlike the competition the new Xi5 includes wireless capability "right out of the box", anglers can command precise motor and steering control from anywhere on the boat. A wireless foot pedal is standard with freshwater models and a hand-held remote is standard with saltwater models. Plus, we've made it stealthy quiet and silky smooth. And you'll also see thoughtful details that make it safe and easy to use.

FeaturesSophisticated Steering Transmission - From its ball bearings that reduce friction and wear, to custom seals that keep water and dust out, to an extra-rigid shaft support tubeâ€“ the Xi5 steering transmission delivers dependable, quiet, precise performance.Fully-Protected Electronics - The high-efficiency electronics are fully encapsulated in a high-tech coating, making them impervious to water and dust. There's also a protection circuit that prevents lower unit damage if the prop is stalled.New Composite Shaft - The new composite shaft can take on any and all obstructions that get in its way. It'll bend, but won't break. That's why it's backed with a lifetime warranty.Comes equipped with a 2 blade propeller for maximum power and weedlessness.
